Universidad Autónoma de Ciudad Juárez.

Dear Dr. De la Rosa Carrillo,

on behalf of the Rubin Center for the Visual Arts at UTEP and Rafael Lozano-Hemmer, I would like to thank you for your work and effort as co-curator of Border Tuner/Sintonizador Fronterizo. Your experiences, suggestions and expertise were a welcomed addition to this binational undertaking that served more than 6,000 people during its 12 day installation, employed scores of young artists from the region as docents and performers, and hosted a dozen bi-national forums with international leaders in contemporary art including Cuahtemoc Medina, Tatiana Flores, Julio Cesar Morales and others. Your leadership, talent and hard work were integral to our success.

We sincerely hope that your experience working on Border Tuner was as meaningful and significant as ours.

Sincerely,

Dear Dr. De la Rosa Carrillo, on behalf of the Rubin Center for the Visual Arts at UTEP and Rafael Lozano-Hemmer, I would like to extend an invitation for you to join me as co-curator for Lozano-Hemmer's binational installation *Border Tuner/Sintonizador Fronterizo*.

As you know, *Sintonizador Fronterizo* will occur right on the border between Juárez and El Paso for twelve nights on November of 2019 and would greatly benefit from your experience as an academic, an artist and a citizen of Juárez that has long been engaged with the cultural affairs of the city. We sincerely hope to work with you in this massive undertaking.

Sincerely,
