Dear Arturo,

I am writing to invite you to join a virtual research internship to the University of Texas, at El Paso, during the Fall 2021 (August 23 to December 14, 2021). The purpose of your virtual internship will be to enable us to work on advice you to develop and write your research paper, which we've tentatively titled "Buchona, corporalidad: cuerpos en resistencia." Since we spoke this summer in order to help you develop and finish this paper, it will be important to spend time collaborating virtually.

Please do not hesitate to contact me if you have any questions. Sincerely,

Eduardo Barrera, Ph.D.
