Dear Dr. Islas Salinas,

On behalf of the selection committee, integrated by representatives of the Embassy of the United States in Mexico, Banco Santander, and AMPEI (Mexican Association for International Education), it is a great pleasure to inform you that you have been **ACCEPTED** to the **Program for the Internationalization of the Curricula United States-Mexico (PIC US-MX)** to work with **Dr. Guillermina Gina Núñez-Mchiri** from University of Texas - El Paso.

We are very glad to welcome you to this enriching experience that includes two stages, that must be completed jointly with Dr. Guillermina Gina Núñez Mchiri, who is now your COIL teaching partner.

- 1) A **training workshop** oriented to the **Design of your COIL component**, that also addresses the fundamentals of the COIL methodology. The next COIL Design workshop will be offered from **May 28, 2021 to July 2, 2021**. We invite you to register using the following link: <https://forms.gle/5AcrF86VrHFcoTYcA>. Each teaching partner must register individually, and both must attend the same workshop.
- 2) The **implementation your COIL course** with your teaching partner. During the execution of all the activities you will plan for your COIL component, you will receive coaching from mentors, experts in the COIL methodology that will help you to make it successful.

For more information about PIC US-MX, please visit our website at: www.ampei.org.mx

Please, do not hesitate to contact us for any question. We are looking forward to meeting you and supporting your initiative to experience the COIL methodology in your courses and open new alternatives of internationalization for you and for your students.

Best regards,

Ofelia Cervantes
