

Dear Manuel Gonzalez Herrera,

Thank you for your book chapter submission, titled **Contribution of Tourism to Sustainable Development: Samalayuca Dunes (Mexico)**, to our book, *Tourism Transformations in Protected Area Gateway Communities*. The chapter went through a double-blind review by two top academics in the parks and protected area management. After two rounds of revisions, your chapter was accepted. The process was very rigorous and your chapter was a significant contribution to the book.

If you need any additional information, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "S — L. S —".
