It is agreed on this day of 14th December 2022, by and between **Chapter Author(s): Christian Chapa González**

(hereinafter referred to, whether one or more Chapter Author(s), as the “Contributor”) and Taylor & Francis Group, LLC, a State of Delaware limited liability company, having its principal place of business at 6000 Broken Sound Parkway NW, Suite 300, Boca Raton, FL 33487, U.S.A. (hereinafter referred to as the “Publisher”) that the above-named Contributor shall prepare textual material (the “Manuscript”), including all references, figures, and tables (jointly the “Contribution”), prepared in accordance with the *Guidelines for Authors*, a copy of which will be provided by Science Publishers. In addition to the Manuscript, all artwork must be delivered electronically as well as paper. The Contribution is due to the Editor for the chapter tentatively entitled:

Title: Magneto hyperthermia

Chapter No.: 13

commissioned by Science Publishers (Publisher) for use as a contribution to a collective work (tentatively) entitled *Advances in the Diagnosis and Treatment of Cancer using Thermal Therapies: Minimal and Non-invasive Techniques* (hereinafter referred to as the “Work”), which shall be deemed to be a work made for hire. As such, copyrights in the Work will inure to the benefit of the Publisher, and the Publisher will own the publication, its title and component parts, and all publication rights. This permits the Publisher, in its own name, to claim copyright in the Contribution, make applications to register its copyright claim, and to renew its copyright certificate.

The Contributor represents that the Manuscript is original except for material in the public domain and such excerpts from other works as may be included with prior written permission of the copyright owners in both electronic and book form, in perpetuity.

If the Contribution is accepted by the Publisher for publication in the Work, the Publisher agrees that the Contributor shall receive credit as the author of the Contribution in the first and subsequent editions of the Work in which the Contribution appears.

Warranty & Permissions: Contributor represents and warrants to Publisher that the Manuscript and all figures, illustrations, tabular material, and other supplementary material shall be original on Contributor’s part. Contributor further warrants that the Contribution shall contain no libelous or unlawful statements, contain no instructions that may cause harm or injury, and shall not infringe upon or violate any copyright, trademark, or other right or the privacy of others.

Please note that each Contributor must complete an individually-signed Contributor Agreement. This Agreement must be on file prior to the publication of the Work.

Please notify us of any address change.
