Dear Professor Jaime Castro Perez,

Manuscript ID **J18-0649**

Manuscript Title zariski topology for multiplication modules with applications to frames, quantales and classical krull dimension

Author(s) **Jaime Castro Perez** (ITESM, Tlalpan), **José Ríos Montes** (Instituto de Matemáticas UNAM), and **Gustavo Tapia Sánchez** (Universidad Autónoma de Ciudad Juárez)

Your manuscript has been carefully evaluated by reviewers from your area of expertise and has been recommended to make minor revision for publication in the *Journal of the Korean Mathematical Society* ([J. Korean Math. Soc.](#)). The reviewers' suggestions and comments are available to view under "My Manuscript" at the J. Korean Math. Soc. online submission website. The reviewers have made several suggestions to improve the manuscript. Please make changes according to the suggested comments and upload the revised version to the [J. Korean Math. Soc.](#) website.

Editorial Comments

Recommendation Revision Recommended
Please follow the referee's suggestions.

Comments to the Author

- **Reviewer A :**
Here I attached the comments that need to be checked on the manuscript
- **Files :** [J18-0649_Reviewer_A.pdf](#)

Files None (or N/A)

Please upload the revised version before February 11, 2019.
Should you need more time to revise, you must contact the [J. Korean Math. Soc.](#) editorial office as soon as possible.

Thank you for your cooperation.
